

Bundle: Galileo® Med L Chip & Galileo® Med PT

The high-end package for fitness, wellness and sports

After individual instruction the user can train independently following the complete training procedure on a large-sized display in real time. The control is made via the intuitive user navigation of the Galileo® Med Fit Chip control panel on the hand rail.

The innovative features Galileo® Wobble, Galileo® Smart Coaching and Galileo® Smart Sense allow users to use Galileo's vibration technology even more effectively than before.
